

# ART WORKSHOPS

## Make 'Moo-ving' Bovine Art

Working with a pre-cast poly-resin miniature cow to create your own unique design – the only limits is your imagination.

Art classes held at the Shed give blokes a chance to unleash the artist within.

This July you can create a unique take-home miniature cow. Be 'inspired' by a world of painted cows. Design and paint your own masterpiece with your 'mates' at the Shed.

The group will work out their next project based on the blokes' ideas and interest (i.e. sculpture, ephemeral art, corrugated iron cut-outs).

Classes are guided by a qualified instructor.

**Who:** **Men of any age**  
Anyone with a creative bent (or twisted) is welcome

**Where:** **Melton Men's Shed**  
76 Reserve Rd, Willows Historical Park

**When:** **Wednesday mornings 10:00am – 12:00noon**
