Dear Sophie,
Congratulations on the wonderful High Tea you provided for the many women who do many thousands of volunteer work in the city of Melton.
It was also so good to met with students of the secondary schools in Melton which provided us time to sit and listen to their dreams and aspirations not only for themselves but for their schools as well.
These girls are our leaders of tomorrow and it was a wonderful way to recognise and encourage them.
Well done Sophie!
Kind regards

Dear *Sophie,*

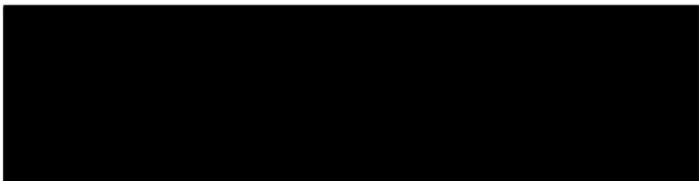

What a wonderful day! Thank you so much for the invitation to enjoy the Women of Melton afternoon. How lovely to be treated to such a special occasion.

Looking around at the tables, I wondered at the amount of Voluntary work done by the women who attended and what an attribute they are to our City. I was honoured to be included in such a group of people.

It was such a very special way to commemorate International Women's Day and to show the appreciation of our Council, our City, for the gift that is given to the residents of Melton.

The food was beautiful, everything was just perfect. Flowers, drinks, everything was designed to say "thank you" and "you are appreciated". What a lovely way to meet so many fantastic women.

Most sincerely, my thanks.

10th March 2017.

Dear Mayor Ramsey and Councilors of the City of Melton,
Just a note to thank you most sincerely for hosting the event at
"The Willows" today.

The combined women of Melton are an awesome team when 'doing our bit' for the community we live in and love.

We do not expect Praise, admiration or even acknowledgement for our service.

I know of NO other municipality or council that celebrates and honor's Our commitment to the wider community that the City of Melton does.

It is so nice to be appreciated although we may not expect the applause, we do feel very appreciated, in such a lovely way.

I know I speak for all the ladies at today's function when I say a very big Thank You City of Melton Councilors for your ongoing human and excellent attitude to your constituents and community members.

I also believe that the initiative to invite young women from the various local Secondary colleges that have already shown leadership qualities, to this event shows councils foresight and commitment to the future of the City of Melton.

I enjoyed conversation with two young ladies from Staughton College and Catholic Regional College; I was pleased to be passing on positive encouragement to stand up and make a difference and to be very proud of their achievements thus far and in the future.

I am sure that we will see these young women again in the next few years leading the way in our community.

Thank you to the councilors, Mayor and staff at Melton City council for being a council with a human face.

In other communities we only see councilors photo's in the local paper and billboards at election time.

I also thank you all for your continued support at our fund raising events.

Sincere Regards & many Thanks

President of the Zonta Club of Melton Inc.
