Dear Mr Tori

Thank you for your letter regarding your concerns about the industrial dispute at Carlton and United Breweries last year.

The Victorian Government believes that all workers should have access to secure employment and decent working conditions. The Victorian Government established an independent Inquiry into Labour Hire and Insecure work to examine the social impact of insecure work and assess if the current legal framework meets the needs of workers. The Inquiry covers issues relevant to the situation at Carlton and United Breweries. The final report can be found at: <http://economicdevelopment.vic.gov.au/inquiry-into-the-labour-hire-industry>.

In response to the Inquiry, the Victorian Government has committed to establishing a labour hire licensing scheme to ensure strict oversight of labour hire companies. A full response to the Inquiry's 35 recommendations will be delivered in 2017.

Yours sincerely

The Hon Daniel Andrews MP
Premier

Dear Minister

I have recently been contacted by Cr Sophie Ramsey, Mayor of City of Melton, regarding concerns about the primary education facilities in her municipality.

Cr Ramsey has told me that the City of Melton is in desperate need of new school infrastructure to cope with the growing needs of current and future local residents.

At a recent Council meeting, Council endorsed a notice of motion requesting the State Government to outline the timelines of the construction of the Eynesbury Primary School and the development of Exford Primary School.

Following this Council meeting, Cr Ramsey would like to have the opportunity to meet you to discuss the timeline for the development of these two education facilities.

Furthermore, she would like to discuss development of new schools to cater for the increase in demand for schools in the future.

I would appreciate if your office could investigate this as a matter of urgency. Please find enclosed a copy of her letter.

If you require any further information please do not hesitate to contact my office on 9704 6055.

Thank you for your consideration of this very important issue and I look forward to receiving your response.
