

EVENT APPROVAL

Please ensure you have read the Council's Event Management Guide before completing this form. Anyone planning events on private land is not required to submit the Event Application Form. However depending on the nature and planned activities at the event, other permits may still be required.

If you require any further clarification regarding your event, please contact the Council's Events and Culture team on 9747 7200.

Please note: Melton City Council will not consider any application to use Council Land for the purpose of a circus or similar events.

6 TRAFFIC MANAGEMENT

Traffic management plans will be required if there is any disruption to traffic, parking or pedestrian safety.

All changes to roads and traffic conditions requires approval from Council's Engineering Department. It is recommended that for those events requiring traffic management, the application should be lodged up to six months prior to the event date. This allows for Vic Roads approval.

All traffic management enquiries require an additional application form to be completed:

www.melton.vic.gov.au/Regulations/Permits-and-forms/Engineering-applications

REFERENCE DETAILS

Provision of two referees with full contact details are to be provided.

It is preferred that the referees are the approving authorities of other events which you have held.

For on road events, at least one referee needs to be from a Victorian Police Branch. The second reference needs to be from a local or state government agency e.g. Vic Roads or another Municipal Council.

I declare that I am an authorised person to apply for the Event Application and that all information provided in this application is true and correct. I have read the guidelines and accept the conditions for the event/s. I agree to comply with all event conditions, local laws and all relevant legislation. I declare that all details provided are accurate and this event will be organised and managed as described unless advised otherwise by the City of Melton and/or its authorities. I understand that this Event Application does not constitute event approval. Council may cancel or modify events at any stage due to:

1. Public safety concerns
2. Extreme weather
3. Identified high risks
4. Site safety or conditions

Council reserve the right to decline any event which is not in line with these conditions.

REQUIREMENTS

Events must meet all legal requirements, including (but not limited to) obtaining approvals related to building occupancy, health, and liquor licensing.

Council officers may consult other agencies, including Victoria Police and VicRoads, in considering applications and applying conditions.

Major, long stay and high-risk events must be delivered by an experienced event provider.

Applicants must develop and implement other relevant event plans including (but not limited to) risk management, emergency management, noise management, site and waste management.

FEES

Event organisers are required to reimburse Council for the cost of any restoration or repairs which are required as a result of the event and/or its associated activities. A bond in advance may be required. Events on Council owned open land requiring extensive vehicle access and/or major infrastructure will require an upfront bond OF \$300.

TERMINATION

Events on Council land with Council issued permits take precedence over those with no permit/Council notification. Melton City Council reserves the right to terminate an event if:

1. Event application conditions are breached;
2. Any laws are broken;
3. A misrepresentation is identified in an application.
