Community Services	Cr Ramsey	Hydro at Melton Wa	aves.	I wish to provide you with an update on the status of the opening of the hydro pool at Melton Waves. Council has been informed by Belgravia that there are a few repairs that are required, before the hydro pool can be open for use. We have been given a time frame of 3-4 weeks. Please also note that due to current restrictions the usage of change amenities also poses an issue. Council is investigating the current interpretation that toilets can be open but not change rooms.
