

**From: The Residents of Atherstone**

To Whom it may Concern,

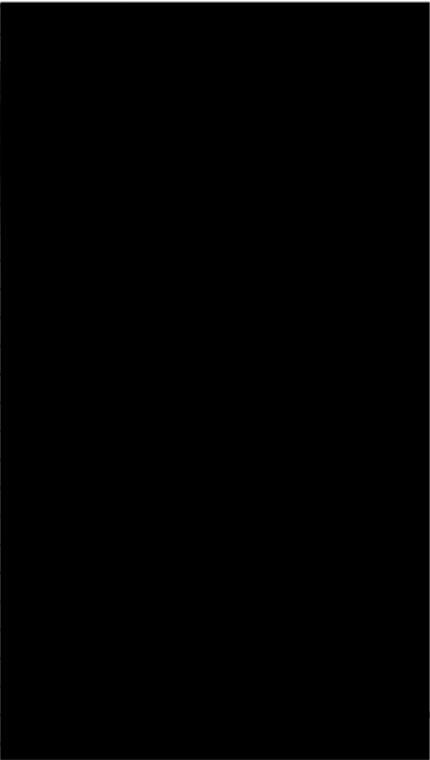

We wish to express our concern regarding the bathroom facilities in **Stone Ridge Park** on Alabaster Avenue, Cobblebank. Because of the park's convenient location, many neighbourhood children spend hours after school playing on the playground equipment. Many Elder residents who take their kids out in the park, sometimes have to run back to their homes to use toilets.

Sometimes we have seen little kids using grass area as toilet area. As the park is surrounded by residential development, it presents a clear danger to the public health, to say nothing of the moral pollution it represents.

There doesn't seem to be much foresight from council where this is a major growth area and the new facility will not suffice. Until something is done, temporary toilets should be place in a convenient location of the park.

We the undersigned ask that your office take swift action. We will be happy to cooperate in any way we can.
