Dear Cr Carli

Thank you for your interest in the 2019-20 Growing Suburbs Fund. There was a very strong response to the fund with a great range of projects proposed delivering outstanding benefits to communities. A total of 61 projects sought more than \$96 million in Victorian government funding.

I am delighted to advise that the applications listed below will receive a grant from the Growing Suburbs Fund. I have asked the Department of Environment, Land, Water and Planning (DELWP) to prepare a funding agreement for your signature as soon as possible.

Project name	Amount approved
Eynesbury Station Early Learning Centre	\$1,500,000
Melton Recycling Facility	\$3,000,000
Brookside Community Pavilion	\$850,000

This funding decision may be the subject of an event and media release arranged in consultation with DELWP. As such, I ask that your council not disclose to any person any information about the grant, or names of successful or unsuccessful projects, until after I or an authorised representative have made this information publicly available. This information is being provided in confidence and the grant is contingent upon this condition being honoured. Please liaise with my department regarding any events or announcements that council are planning.

Andrew Clegg, Senior Manager Capital Programs, DELWP, is the primary contact for any questions or follow up in relation to events, announcements or funding agreements. Andrew can be contacted by telephone 9948 8536 or email [andrew.clegg@delwp.vic.gov.au](mailto:andrew.clegg@delwp.vic.gov.au).

Yours sincerely
