Every care has been taken to ensure the information in this document is correct as at June 2014. However Melton City Council does not accept any liability to any person or organisation for the use of information in this document. Please note that there is potential for minor revisions of data with this profile.

* Due to issues with non-identification and undercounting in the 2011 Census, the number could double.

[#] SEIFA index figures above 1,000 are above the Australian average and so relatively less disadvantaged, while index figures below 1,000 indicate areas of relatively greater disadvantage when compared to the nation.
