

A vibrant, safe and liveable city accessible to all

MEDIA RELEASE

2 December 2021

Enter your house in the Christmas lights competition!

City of Melton residents with sparkling displays of Christmas lights and decorations at the front of their homes are invited to enter a special new Melton City Council competition.

The Melton Learning Directory Christmas Lights Competition is giving away prizes across three categories for the most traditional, colourful or energy efficient light display.

Entries will be judged by a competition panel and a winner selected for each category. Each winner will receive a \$250 voucher to a local restaurant.

City of Melton Mayor Cr Goran Kesic encouraged residents to enter their displays in the competition.

“Every year residents go above and beyond decorating their homes and spreading Christmas joy to neighbours and passers-by,” Cr Kesic said.

“This a fun way to celebrate their efforts and the happiness these displays bring.”

To find out more including how to enter and safety tips for you light display, visit meltonlearning.com.au/christmaslights/

Competition closes 5pm, Monday 13 December.
