Could you be our next Business of the Year?

Do you know a local business that goes above and beyond with excellent service, products and follow-up? Then nominate them for the 2022 City of Melton Business Excellence Awards!

You can nominate your own business or another business within the City of Melton that you believe deserves to be recognised for excellence.

City of Melton Mayor Cr Goran Kesic said the awards were a great opportunity to reward a business whose contributions, achievements or outstanding service sets them apart from others.

“We’re looking for outstanding businesses in the City of Melton – those that deliver high quality services or products, go above and beyond for customers and clients, or show great innovation,” Cr Kesic said.

“If you are a business owner, we encourage you to self-nominate. Whether you’re a small, family-run operation, a large, well-established business, or something in between, it’s a fantastic chance to promote your achievements and the everyday services and products you provide to the community. You might just be our next Business of the Year!”

The awards, listed below, will be presented at an Awards Night on Friday 25 November.

- Business Excellence Award for Innovation and Creativity
- Business Excellence Award for Adaptability
- Business Excellence Award for Diversity and Inclusion
- Business Excellence Award for Disability Inclusion
- Business Excellence Award for Sustainability Leadership
- Business Excellence Award for Customer Excellence

The Business of the Year Award will be decided by the judging panel from the individual category award winners.

Applications close midnight 7 September 2022. Nominate your favourite local business today at melton.vic.gov.au/businessawards
