I'm honoured to be elected Mayor of this city and I look forward to working with Deputy Mayor Cr Julie Shannon to represent the community over the coming year.

Our Council is committed to working together to provide outstanding services and stronger investment for our whole community.

Being one of Australia's fastest growing areas, we need infrastructure that keeps pace.

We're all working hard to make sure everyone has access to good council services, outdoor spaces, recreation facilities, roads, paths and more.

I look forward to advocating at a state and federal level for better roads, rail, buses, health, education and jobs for everyone in the City of Melton – and holding everyone to the promises they made this election.
