## **Business Excellence Awards finalists announced**

The finalists in the 2022 City of Melton Business Excellence Awards have been revealed this week, with 18 outstanding businesses from hospitality, trades, professional services, and creative industries recognised for their work.

The local businesses are now in the running to win a business excellence award in eight categories.

Now in its 15<sup>th</sup> year, these awards are about recognising and rewarding the great contributions local businesses make to the City of Melton.

The winners will be announced at the City of Melton Business Excellence Awards Evening at Russo Estate Winery in November.

The winners of the Mayoral Achievement Award sponsored by Venture Melton and Business of the Year sponsored by Atherstone will also be announced at the Awards evening.

### **Quotes attributable to City of Melton Mayor Cr Goran Kesic:**

“City of Melton businesses are the lifeblood of our community and Council is proud to showcase their innovation, resilience and strength.”

“These awards are one of many Council initiatives helping local businesses thrive in the City of Melton and we look forward to celebrating their success at the presentation event.”

“I’d like to thank all our sponsors, including official media partner the Star Weekly for helping to make these awards possible.”
