A LITTLE BIT ABOUT OUR MAIN STAGE PERFORMERS...

	<p>Melbourne musician Gena Rose Bruce is a lover of sad-eyed, bluesy pop with a touch of twang. Gena writes honest songs with a bit of reverb creating that 90's dream West Coast sound. Her intoxicating and heart felt live performances leave audiences full of longing.</p>
	<p>Whether it's heritage, hope or insanity that fuels them, Sydney-based Bad Pony simply do not stop. With four national tours under their belt and three international showcases (Singapore's Music Matters - 2016, Canadian Music Week - 2017, SXSW - 201), Bad Pony have spent most of their career together on the road, not to mention having independently released four self-produced singles, all with national radio success.</p>

Maddy is a talented young artist from Tasmania, writing songs far beyond her years on a beat up guitar her mum gave her in high school. It's been a massive 12 months for Maddy with break out singles 'Thank You and Sorry', 'No Other Way' and 'Drown It Out' getting high rotation on national Broadcaster triple j

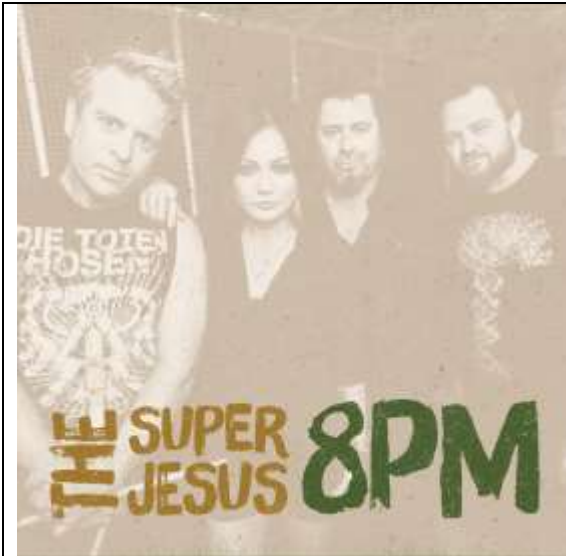

Pierce Brothers have taken their music from busking on the streets of Melbourne to the world. Their irresistible energy and world-class live show has generated a word of mouth buzz not seen for some time. Comprising of twin brothers Jack and Pat Pierce, the multi-instrumentalists have been shaking dance floors and selling out rooms across UK, Europe, Canada, USA & their native Australia

The band need no introduction with 3 x ARIA Awards and multi-platinum albums; Sumo, Jetage, Rock Music and hit singles Gravity, Secret Agent Man, Shut My Eyes, Down Again and more, The Superjesus are no doubt one of Australia's most successful and respected rock bands who remain a staple of Aussie rock. They have expertly managed to bridge the gap between their instantly recognisable late 90s hits and their current melodic rock sound – bringing together new fans and those who've been loyal for 20 years. Last year, The Superjesus were inducted into the South Australian Music Hall of Fame.

Where is the best place to see the Bonfire and the fireworks display? The best place for both the Bonfire and firework viewing is from the Main Stage area.

What time does the Bonfire lighting occur? The lighting of the Bonfire will take place at 7.30pm. The fireworks finale kicks off at 10pm.

Please note that both the fireworks display and the Bonfire are weather dependent. Council is committed to providing a safe event for the community to enjoy.
