

Lakeside Alive

I am going to Lakeside Alive with my family

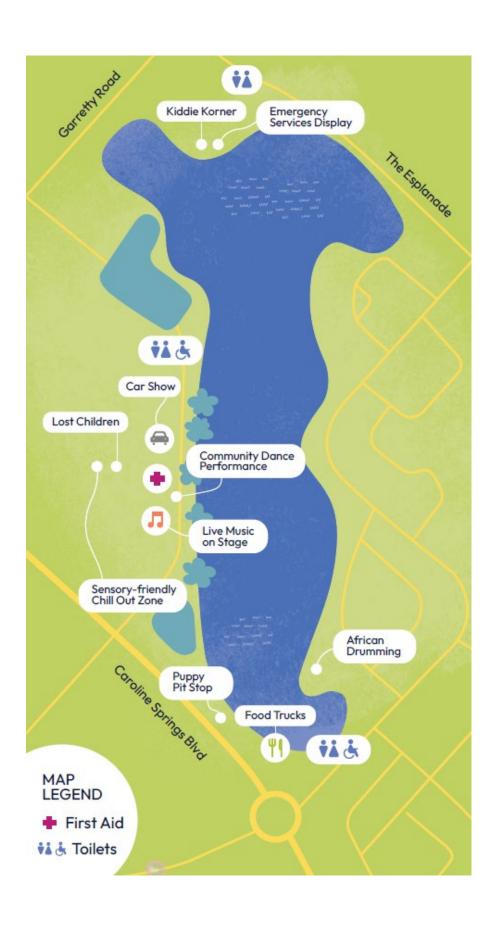

Lakeside Alive is on Saturday 10 February, 1230pm to 830pm

It's at Lake Caroline is in Caroline Springs on Lake Street.

If I need to find anything, I can just look at this map.

There will be lots of people, so I need to stay close to my parents/guardian.

There will be lots of fun things to do and see.

There are so many activities I can try, like blowing big bubbles.

There will be a Kiddie Korner where I can pot a plant, have my face painted and some music that I can listen to with headphones.

If I have a dog, I can bring them along at stop by the Puppy Pit Stop.

Plus, I can meet the people who keep our community safe!

There will be music that I can listen to on stage.

Once it starts to become night time, there will be a fire twirler I can watch.

If I'm still at Lakeside Alive at 8.30pm I can watch the fireworks.

If I need help, I just need to find one of the Melton City Council Events team.

There will be some yummy sweet treats I can buy.

I can have some lunch or dinner from one of the food trucks.

Or I can bring a picnic from home.

If it gets too loud or I need some quiet time, there will be a Sensory Friendly Chill Out Zone where I can get away from the noise.

And if I need to go to the toilet or Sensory Friendly Chill Out Zone, I will let my carer/parent or friend know and we can go together.

I can't wait to have fun at Lakeside Alive!

Some things to remember:

- It might be hot or cold, I need to bring a hat, jumper.
- I can get a wristband from the Lost Children's tent to write a contact phone number on in case in need assistance.
- I will have to do lots of walking to see all the fun stuff, so I must wear comfortable shoes.
- I need to bring a water bottle or drink with me.
- All activities will be on ground level or accessible by ramp
- There will be gender neutral toilets and accessible toilets
- All toilets can be accessed at ground level via a concrete path.
