COMMUNITY SPORT & RECREATION IN MELTON

Return to Train and Play Process

STEP 1

State Sporting Association (SSA) develops Return to Train and Play Plan. SRV provide advice and support (not approval).

STEP 2

Club develops Return to Train and Play Plan consistent with SSA guidelines. SSAs provide advice and support.

STEP 3

Club submits Return to Train and Play Plan to Council. Council provide advice and support (not approval). Booking requests submitted to Council.

STEP 4

Council prepares licence agreement including cover letter and declaration for clubs. Licence agreement and cover letter executed and facility access granted. Clubs implement their Return to Train and Play Plan

Please contact the City of Melton Recreation Development Unit on 9747 7200 or your State Sporting Association for further information or clarification.

MELTON CITY COUNCIL SPORTING CLUB CHECKLIST

for returning to Train and Play

This guide has been established to support local sports clubs to return to training under the current State Government COVID-19 restrictions.

All sports clubs have an obligation to strictly adhere to these protocols at every training session.

The key principle for training must be **GET IN, TRAIN, GET OUT.**

- **TRAINING GROUPS OF NO MORE THAN 10 PEOPLE**

The Club can undertake training in groups no larger than 10 people. Any official or coach required for the conduct of the activity is not included in the limit, however should be strictly limited to only essential personnel.

- **STRICTLY NO CONTACT**

The Club has advised its participants, coaches, volunteers and parents that all training must be strictly non-contact (i.e. no tackling, no bumping, no marking contests etc...)

- **1.5M SOCIAL DISTANCING**

The Club has advised its participants, coaches, volunteers and parents that all training must strictly observe social distancing requirements of 1.5m.

- **NO ACCESS TO CHANGE ROOMS**

The Club is aware that all club rooms, change rooms and wet areas are NOT to be used as part of the return to training.

- **MINIMISE THE USE OF EQUIPMENT**

The Club is aware that the use of equipment should be kept to a minimum and where possible not shared (e.g. balls and cones but not tackle bags).

- **CLUBS & TEAMS UNDERSTAND THE RETURN TO TRAINING PROTOCOLS**

The Club and all teams have read, understood and agree to adhere to the training protocols recommended by their State Sporting Association. The Club understands the State Government restrictions in place for group training.

- **HYGIENE PROTOCOLS ARE IN PLACE**

The Club has implemented the hygiene protocols as outlined in their State Sporting Association Return to Training Protocols.

- **A REGISTER OF PARTICIPANTS**

The Club has implemented a log, or register, to keep a track of which participants are in attendance at all training sessions, and this is available upon request by the State Sporting Association or health authorities.

- **COVIDSafe APP**

The Club has encouraged all players, volunteers and families to download the COVIDSafe app to help in tracing the spread of COVID-19.

- **COVIDSafe OFFICER**

The Club has a nominated COVID Safe Officer and can provide their contact details to their association, Council or health authorities as required. It is recommended that this officer undertake the Australian Government online COVID-19 Infection Control training.

- **MELTON CITY COUNCIL APPROVAL**

The Club has received approval from Melton City Council to access the facilities for training.

- **FOLLOW DIRECTIONS**

The Club and training groups understand that they must follow the direction and advice of police, Melton City Council and State authorities at all times.
