Funding is available for projects that:

- increase community participation;
- provide services and facilities that strengthen community health and wellbeing;
- promote and develop local pride (including in the field of arts and the environment); and
- promote community leadership.

If you would like further information about the priorities for Council, please refer to the Council Plan (2017-21) at www.melton.vic.gov.au or speak to the Community Grants & Awards Officer.

What won't be funded?

The following list identifies the types of projects that cannot be funded under this Program. Potential applicants are encouraged to contact Council's Community Grants & Awards Officer or refer to Council's website www.melton.vic.gov.au to identify alternative options for support and funding assistance.

Funding will not be available for projects:

- that are facilitated by local schools/education providers that are limited to students only;
- that are the clear responsibility of other levels of government, e.g. school curriculum, infrastructure, concerts;
- seeking support over \$1,000 for exclusive celebrations (those that do not include broad community participation);
- seeking support for ongoing operational costs, e.g. permanent staff, ongoing salaries, maintenance, venue hire;
- already receiving Council funds to do the same or similar activity;
- deemed to be duplicating existing services in the municipality;
- that facilitate routine and regular maintenance work to existing facilities;

- based at facilities where there is little or no public access;
- that operate solely for the purpose of fundraising for individual gain;
- that are the responsibility of Council to deliver or where the funds will be administered or managed fully or in partnership by Council;
- that are profit making ventures;
- for purchase of equipment and material to address Occupational Health and Safety issues; this is considered to be the responsibility of the agency or organisation concerned; and
- that take place outside the City, unless it is an element of an ongoing project and has a demonstrated and direct benefit to the City of Melton community.

General grant conditions:

1. Funding is allocated on a competitive basis. Once the allocated funds are exhausted, no additional funding will be available within the financial year.
2. Funds must be spent on the project as described in the application, and/or as directed by the Funding Agreement.
3. Applications where participants are charged entry or participant fees, must declare the charge per participant and the expected number of participants.
4. Successful applicants will be required to complete the grants acquittal process as outlined on page 9.
5. Applicants who have previously received funding through Council grants will only be considered if they have met all acquittal conditions for that previous funding.
6. Successful grant recipients are strongly encouraged to participate in capacity building training opportunities identified by Council Officers.
7. Community Projects must commence within six months and be completed within twelve months from the date of notification of approval. Retrospective funding will not be provided for Community Projects already commenced.
8. Schools are not eligible to apply directly to the Community Grants Program, however, they may be the beneficiary and/or partner with other community organisations.
9. Retrospective funding will not be provided to Community Projects.

Application Process

How do I apply?

Applications for grants under Council's Community Grants Program are made online. You will need to go to the SmartyGrants website: <https://melton.smartygrants.com.au> to view the application form and to make an application. If you are unable to access the internet, Council can support you by directing you to one of the community facilities that provide public internet access.

Applicants are required to submit their applications by the closing date and time of the Program, as late applications will not be accepted.

To assist you in completing your application, please note the following tips:

1. You will need access to internet and an email address to make your application.
2. Access to the Application Form will not be available until the opening date.
3. The online system will not accept incomplete applications.
4. All questions marked with an asterisk* must be completed.
5. Review your application carefully before submitting, as once submitted you cannot go back to make any more changes.
6. When you submit an application online, you will receive an application number. Please make a note of this and, where possible, print and keep a copy of your application for future reference.

Applicants will be notified via automatic email that their application has been received.

Grant support and workshops

Council provides FREE Grant Writing Workshops to community members. Details of upcoming workshops will be listed on the Community Groups training calendar section of the webpage.

If you require any further information about Council's Community Grants Program, or assistance in completing your application online, please contact Council's Community Grants and Awards Officer well in advance of the closing date of the grant round:

Phone: 9747 7200 - Interpreters can be booked if requested.

Email: communitygrants@melton.vic.gov.au

How are applications assessed?

- Step 1 Council officers will check eligibility of all grant applications.
- Step 2 Internal review by relevant Council Officers (if applicable)
- Step 3 Eligible applications are assessed by an independent assessment panel against specified assessment criteria (see grant categories for details).
- Step 4 Recommendations are submitted to Council for final approval.

Please note that meeting the assessment criteria does not automatically guarantee funding.

Applicants should also note that the level of funding available through the Community Grants Program grant rounds is limited and applications are considered against the criteria in competition with other applications.

Acquittal Report

Successful applicants are required to complete the grant acquittal within 12 months of receiving funding or 2 months of completion of the project (whichever is sooner).

The acquittal report outlines the key achievements of your project and reports on how funding was spent. An acquittal form is linked to your online application and should be submitted the same way.

If required, a close-out meeting will be scheduled between relevant grant applicant members and Council Officer(s). This is a short meeting that allows Council Officer(s) to check funding expenditure, gain greater understanding of project success and challenges, and assist the applicant to identify future sources of funding for their projects.

Auspice Organisation

If your group is not incorporated or does not hold current public liability insurance, you may apply for a grant through an auspice arrangement.

An auspice is an organisation that is incorporated and holds current public and products liability insurance. The auspice organisation receives the funding on your behalf and distributes the funds to your group for the delivery of the project. A letter confirming the auspice arrangement must be attached to the application along with proof of the auspice's incorporation and current insurance.

A suitable auspice organisation might be an organisation you have worked with previously or a larger organisation working in a similar field that could be approached.

Please contact the Community Grants & Awards Officer for more information.

Who to contact?

All applicants must speak to a relevant Council Officer regarding their project idea. Please refer to the table below for suitable contacts. If unsure, please contact the Community Grants & Awards Officer.
