INTRODUCING THE PARENT PORTAL

Melton City Council Kindergarten Applications will now be linked to an online parent portal. This will provide you with access to your processed application.

Here you will be able to view the information provided in your application, as well as apply the following changes:

- Changes to Kindergarten Preferences (Prior to first round offers)
- Acceptance of Offer (After offer letters are received)
- Decline an Offer (After offer letters are received.)
- Cancellation of placement

In order to access the portal please follow the below link

You will then be required to provide the following information:
- Childs First Name
- Child Last Name
- Child DOB
- Kindergarten Application ID (Provided with confirmation of receipt of application)

Melton City Council trust that the parent portal will provide families with access to their Kindergarten application outside of business hours, ensuring that all families are able to access and make changes to this information at a time that is most convenient.
INTRODUCTION

Please read this information booklet in line with councils Four Year Old Kindergarten Central Enrolment Policy located on Councils website.

Melton City Council has a licence agreement with One Tree community services, BPA Children’s Services, ECMS, TRY Australia, Kororoit Creek Primary School, Creekside k-9 College and Springside Prep -9 College to manage the operations of Kindergartens from council owned facilities.

Council also administer Kindergarten Applications for Melton Uniting Kindergarten.

Council works closely with these providers to ensure programs are of a high quality and meet the needs of the community.

Melton City Council supports the access and participation of all children in a 4 year old Kindergarten program in the year prior to school entry.

Kindergarten aims to advance each child’s learning and to optimise the development of key skills. Kindergarten programs are designed to:

- Engage each child as an effective learner
- Promote communication, learning and thinking
- Build positive relationships
- Enhance identity

Participation in a Kindergarten program gives parents and families the opportunity to be a part of a community focused on children’s wellbeing. The Kindergarten program also provides a place for parents to get to know other families and to share their experiences and information with early childhood professionals.

CENTRALISED ENROLMENT SCHEME

Melton City Council manages a central enrolment process for 22 centres within the municipality, in order to facilitate the placement of children into funded Kindergarten programs in the year prior to attending primary school.

The Melton City Council central enrolment scheme manages the application process, which includes a conditional offer for a Kindergarten placement. The Kindergarten provider manages the enrolment process, which includes satisfying any requirements under law to confirm the enrolment, such as a complete enrolment form, immunisation status, etc.

The Melton City Council Central Enrolment Scheme does not include funded Kindergarten provided in long day care centres.

KINDERGARTEN

In Victoria, children attend funded 4 year old Kindergarten the year prior to starting primary school. The Victorian State Government provides funding for each eligible child attending a 4 year old Kindergarten program. Please note that children cannot attend more than one funded Kindergarten program. If children require a second year of funded 4 year old Kindergarten they need to meet the criteria set by Department of Education and Training (DET).

Kindergarten places managed through the Kindergarten Central Enrolment Scheme are for sessional Kindergarten programs provided in Council owned buildings.

If sessional Kindergarten hours don’t meet the needs of your family a funded Kindergarten program in a Long Day Care Centre may better meet your needs.
Funded Kindergarten places are provided in many Long Day Care centres and in some private schools. Centres not listed in this booklet are not part of Council’s Kindergarten Central Enrolment Scheme and should be contacted directly for enquiries.

IS MY CHILD ELIGIBLE FOR 4 YEAR OLD KINDERGARTEN THIS YEAR?

The Department of Education and Training provide funding for the following children to attend 4 year old Kindergarten.

> Children who turn 4 years old on or before the 30 April in the year they will be attending Kindergarten.
> Children who have received funding for a second year of 4 year old Kindergarten.
> Children who were eligible to attend the 4 year old Kindergarten program in the previous year, but deferred or withdrew from the 4 year old program on or before the last day of Term 1.
> Children who are turning 6 years of age in their year of Kindergarten who have been granted an exemption from school entry age requirements by their regional DET office.
> Please note children do not need to be toilet trained to attend Kindergarten.

For more information visit the Department of Education and Training website education.vic.gov.au

NO JAB NO PLAY

Under the ‘No Jab, No Play’ legislation, before enrolling a child, into Kindergarten you must first obtain evidence that the child is:

> fully immunised for their age OR
> on a vaccination catch-up program OR
> unable to be fully immunised for medical reasons.

‘Conscientious objection’ is not an exemption under the ‘No Jab No Play’ legislation.

You will be required to provide your selected Kindergarten with a copy of your child’s immunisation status to confirm enrolment.

For further information please visit: www2.health.vic.gov.au/public-health/immunisation/vaccination-children/no-jab-no-play/frequently-asked-questions
A SECOND YEAR OF FUNDED KINDERGARTEN

DET provides funding to support children to access a Kindergarten program in the year before they start school.

During the Kindergarten year, the early childhood teacher and the child’s parent will work together to plan for the child’s transition to school. This will involve open and honest communication about the child’s learning and development and strategies to facilitate a smooth transition.

Where a child is observed to display delays in key outcome areas of learning and development, the possibility of a second year of funded Kindergarten may be considered. However, a second year should only be considered if Kindergarten will be the most appropriate environment to address the child’s delays in development. Children can develop at different rates and some children may develop at a slower rate than others.

From the time of enrolment, regular communication between the parent and the early childhood teacher in relation to a child’s learning and development is important. If a parent and/or early childhood teacher observes that a child’s learning and development is not progressing at a rate similar to their peers, strategies can be planned and implemented to support the child’s learning and development in those specific areas.

When considering whether a second year of funded Kindergarten will benefit a child, the early childhood teacher and parent must ensure that the child meets the eligibility criteria for a second year.

DETERMINING ELIGIBILITY FOR A SECOND YEAR OF FUNDED KINDERGARTEN

An assessment of the child is undertaken and a Declaration of Eligibility for a second year of funded Kindergarten is completed and sent to the appropriate Departmental regional office. DET is responsible for approving second year requests.

It is important that teachers ensure the plans and forms are completed accurately as they will be subject to annual audit processes undertaken by the Department.

ELIGIBILITY CRITERIA

The early childhood teacher can deem a child is eligible to receive a second year of funded Kindergarten if:

- The child is observed as having delays in at least two outcome areas of learning and development detailed in the Victorian Early Years and Development Framework and
- There is evidence to suggest that the child will achieve better outcomes if he/she attends a second year of Kindergarten to strengthen the learning and development of skills in these areas and better facilitate transition to school the following year.

Children who have been granted early entry to Kindergarten (i.e. children who are less than four years of age by 30 April in the year they attend a funded Kindergarten program) are not eligible to apply for a second year of funded Kindergarten.
WHAT WILL MY CHILD GAIN FROM ATTENDING 4 YEAR OLD KINDERGARTEN?

Children learn more in their first 5 years of life than at any other time. Kindergarten provides children with an environment that encourages and supports their development. Kindergarten gives your child the opportunity to explore the world and gives them a solid foundation to learn the skills that are required for Primary School.

Kindergarten provides opportunities to:
- Develop communication and literacy skills
- Develop independence and responsibilities to gain confidence and a feeling of self worth
- Learn social skills such as listening and respecting other people's ideas
- Build self awareness and respect for others
- Learn to be creative
- Experience maths, social studies and science
- Use technology
- Discover the joy of learning
- Make new friends

Children learn these skills through play-based curriculum where they are able to make choices and share in decision making.

Children are provided with the opportunity to develop caring relationships with adults as well as friendships with other children. The best outcomes for children are achieved when Kindergarten staff and parents work in close partnership.

NATIONAL QUALITY FRAMEWORK

A Regulatory Authority in each state and territory will be primarily responsible for administering the National Quality Framework.

The Australian Children’s Education and Care Quality Authority – will oversee the National Quality Framework and ensure the consistent and effective implementation of the new system.

National Quality Standard

The National Quality Standard sets a national benchmark for the quality of education and care services.

The National Quality Standard is divided into seven Quality Areas:
- Educational program and practice
- Children’s health and safety
- Physical environment
- Staffing arrangements
- Relationships with children
- Collaborative partnerships with families and communities
- Leadership and service management
The National Quality Standard aims to promote:

- The safety, health and wellbeing of children
- A focus on achieving outcomes for children through high-quality educational programs
- Families’ understanding of what distinguishes a quality service.

National Quality Rating and Assessment Process

Approved Services will be assessed and rated against each of the seven Quality Areas of the National Quality Standard and the National Regulations. They will also be given an overall rating. The rating and assessment process aims to drive continuous quality improvement at services and provide families with better information for making choices about their children’s education and care. Early childhood experts and professionals maintain that quality is critical when it comes to early childhood education and care.

EARLY START KINDERGARTEN

Early Start Kindergarten (ESK) was introduced in response to research showing that two years of quality education and care prepares children for success at school and leads to positive impacts later in life.

ESK provides free or low cost Kindergarten for:

- All three year old Aboriginal and Torres Strait Islander children.
- Three year old children known to Child Protection or referred from Child Protection to Child First.

Children must be aged at least three years by 30 April in the year they enrol to be eligible for a place. Children can only start ESK after they have turned three years of age.

For more information about ESK visit: education.vic.gov.au/Kindergarten/earlystart

APPLICATION FEE

A non-refundable application fee of $30 is required on submission of your application form. This fee contributes to the cost of administering Council’s Kindergarten Central Enrolment Service.

In the event the $30 fee is not received with your application, your application form will be considered incomplete and will not be processed until payment is received.

A free waiver of the application fee will automatically apply to families eligible for Kindergarten Fee Subsidy and/or Early Start Kindergarten. To receive this waiver tick the relevant box and provide required evidence of eligibility.

Families in extenuating circumstances, experiencing financial hardship may apply for a waiver to the application fee. If families require a fee waiver, the Kindergarten Administration Team can be contacted on 9747 7284 to discuss this further.

PRIORITY OF ACCESS

Kindergarten application forms are processed in line with the selection criteria outlined on the following page.

Melton City Council uses the following criteria to determine the priority of each application received.
KINDERGARTEN FEE SUBSIDY

The Kindergarten Fee Subsidy enables eligible children to attend a funded kindergarten program for 15 hours free of charge.

Eligibility for Kindergarten Fee subsidy is as follows:

- the child is identified by a parent, carer or legal guardian as an Aboriginal and/or Torres Strait Islander (note: the parent, carer or legal guardian should not be asked to provide verification of this)
- the child is identified on their birth certificate as being a multiple birth child (triplets or more)
- the child individually holds, or has a parent or guardian who holds one of the following:
  - a Commonwealth Health Care Card
  - a Commonwealth Pensioner Concession Card

Families who reside outside the municipality

- Kindergarten applications from families who reside outside the municipality are required to be assessed by the Community Services General Manager.
- Applications from residents residing outside the municipality will not be assessed until November of the year of application lodged and will be determined on the Kindergarten vacancies at that time.
- Families are considered to live outside municipal boundaries if they move out of the municipality prior to the commencement of the Kindergarten year.

RESERVING PLACES

Two places per Kindergarten will be reserved for high priority children.

These places will be reserved until 30 October. Any remaining reserved places not filled by 30 October will be made available to preference list families and subsequent allocation rounds.

SUPPORTING DOCUMENTS

The following supporting documents must be provided to support your child’s application:

- Evidence of living in the municipality or of being a ratepayer of Melton City Council
- A copy of your child’s birth certificate. If the birth certificate is not available, a copy of another official document such as an immunisation record, passport or immigration document will be accepted.

Your application will be considered incomplete without these documents. Please contact Council’s Kindergarten Enrolment Officer on 9747 7284 if you require further information.

KINDERGARTEN PLACES AVAILABLE

Melton City Council places over 2000 children into 4 year old Kindergarten every year.

Visiting a Kindergarten will assist families to choose a Kindergarten that will meet their particular needs.

Families are encouraged to contact Kindergartens and/or arrange an appointment to visit preferred Kindergartens prior to completing the application form.

Please note when filling out the application form to ensure you only write down Kindergarten preferences that you are willing to accept, as not everyone will receive their first preference.

It is important to note that attendance at a Kindergarten located within a school site does not guarantee entry into the school in the following year. Kindergarten does not have the same boundary requirements as school. Parents should discuss this directly with the school.

Council will advise each of the Kindergarten providers of the confirmed enrolments in August of the year prior to commencement. Kindergartens will then contact families to provide details of orientation process, group session times, fees etc.

INCOMPLETE APPLICATION FORMS

Application forms are only processed if they are complete. Incomplete application forms will be returned to the family via post and will only be processed once Council has received the completed document.

CHANGE OF PERSONAL DETAILS

Please ensure that your details are kept up to date with Council (address, email and phone numbers). If Council has incorrect details we will be unable to contact you with important information regarding your child’s Kindergarten application.

OFFERS

A letter of offer for a Kindergarten place will be sent to families after the close of first round allocations. If an applicant’s first preference for a Kindergarten is not available they will be offered their nominated second or third preference Kindergarten.

If vacancies are not available at a preferred Kindergarten, applicants will be placed on a preference list in accordance with Allocation Priorities.

Second round offers will be made approximately four weeks after the first round of offers. Offers after this time are made weekly. Where offers can be made for first preferences, these will be processed automatically.
ACCEPTING AN OFFER
Following the offer of a place you can access the parent portal https://families.melton.vic.gov.au in order to accept or decline your place.
You will be required to provide the following information:
- Child First Name
- Child Last Name
- Child DOB
- Kindergarten application ID. (You will receive this within 2 weeks of submitting your application)
Alternatively you can return the completed acceptance letter to the Kindergarten Administration Team. Families who do not confirm their acceptance will forfeit their place. Parents/guardians who do not receive an offer to a Kindergarten of their choice will be notified in writing that they are on a preference list.

CHANGING PREFERENCES
You can do this by either
- Logging on to the parent portal and making your change or
- Completing the change of information form (available from the Customer Service Unit Melton Civic Centre, Caroline Springs Civic Centre/Library, Melton Library & Learning Hub or Melton City Council’s website)

Please note: Any changes to your application (other than updating contact details) will be treated as a new application form and will be processed in line with the date that your change was received by Council and not the original date that the application was submitted.

Any changes to a Kindergarten preference after you have been allocated a place will incur a $25 fee which must be paid prior to the change being made. Changes after allocation cannot be completed via the parent portal and must be completed via a change of information form.

PREFERENCE LIST
The Kindergarten Central Enrolment Scheme allocates families through a computer generated system in accordance with the Kindergarten priority of access criteria. Families cannot accept a place at a Kindergarten and also be on a preference list for another Kindergarten. If you choose not to accept the place offered to your child and to remain on the preference list at your preferred Kindergarten. You will be notified if and when a place becomes available.

If you are still on the preference list in January in the year your child is to attend Kindergarten, Council will contact you and if possible offer a place to your child at a Kindergarten with vacancies. Please note that these lists are always changing due to the changing needs of families.

DEFERRING YOUR CHILD’S ENROLMENT
In accordance with the current DET guide, an enrolment may be deferred within Term 1, provided the child’s registration has not been submitted by the Kindergarten

Families wishing to defer their enrolment should speak with Kindergarten staff as soon as possible to discuss their child’s readiness for Kindergarten. This process is only available to families when their child has commenced Kindergarten in Term 1.

Families, in consultation with the Kindergarten teacher, are required to complete a Deferral form whereby a kindergarten place will be re-offered the following year.

Note: Families cannot defer their kindergarten place if their child does not attend the Kindergarten program. Your child will need to be re-enrolled following the standard enrolment process.
ADDITIONAL NEEDS

Melton City Council is committed to supporting children with additional needs in State Government funded Kindergarten programs. The information collected on the application form ensures families and children have access to additional assistance with the transition of their child into Kindergarten programs, regardless of the family’s circumstances or background. This includes families whose children have significant disabilities, developmental delays, refugees and asylum seeker families.

If you would like to discuss your child’s additional needs further and find out how Council may be able to assist you and your child please contact Council’s Preschool Field Officer Service on: 9747 7200

PRE SCHOOL FIELD OFFICER

The role of the Preschool Field Officer program is to support the access and participation of children with additional needs in State Government funded 4 year old Kindergarten programs and to build the capacity of educators working with children. The program supports children with a range of developmental and additional needs who are not receiving supports from Early Childhood Intervention Services or Kindergarten inclusion support services.

Parents and guardians are encouraged to discuss any concerns about the child with their Kindergarten teacher.

Once a referral is received the Preschool Field Officer may contact the parents and the Kindergarten staff. The Preschool Field Officer will usually visit the centre to observe the child and talk to staff and parents about their concerns. Following this, the Preschool Field Officer may provide information about options for accessing additional services for assessment and/or support, plus provide strategies to Kindergarten staff.
