

## **fka** Children's Services

"fkaCS advocates for children's *cultural and linguistic* rights and provides professional development and support to education and care services in the provision of culturally rich environments that reflect a civil society."

Professional support is provided by fkaCS throughout Victoria across three main focus areas:

1. Professional Learning  
<http://fka.org.au/professional-learning/about>
2. Cultural Inclusion Support  
<http://fka.org.au/cultural-inclusion-support/about>
3. Multicultural Resource Centre  
<http://fka.org.au/resources/multicultural-resource-centre>

Contact fkaCS to begin the conversation around how they can assist you and your service in the provision of culturally rich environments that reflect a civil society.
