GENERAL PURPOSE SLING WITH HEAD SUPPORT

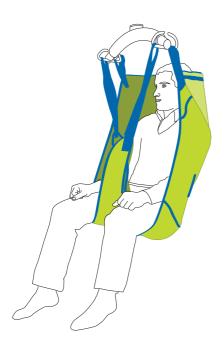

Available in fabric or mesh the General Purpose Head Support Sling comes in six sizes. With excellent upper body and head support this sling is recommended when lifting from a lying position or general lifting of a less secure patient. Very easy to fit and the leg parts are firmly padded for comfort. For use with standard yoke and four point yoke.

Colour: Teal

CARE SLING

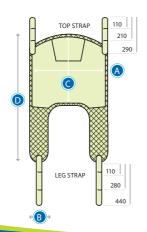

The Care Sling is designed for toilet transfers and bathing. It includes a velcro safety belt which ensures the patient is securely restrained. It comes in four sizes and is available in fabric only. For use with standard yoke and four point yoke.

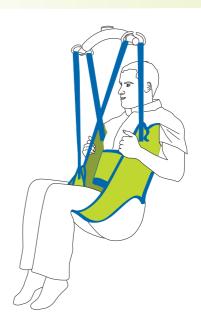

Colour: Teal
