REETA VERMA

CITY OF MELTON WOMEN MAKING IT HAPPEN!

Reeta arrived in Australia from India on 27 June 1986. She remembers the exact date because her daughter took her first steps that day. Reeta has been part of the Melton Family Violence Network for the last four years. She provides support for women who have escaped or are currently experiencing family violence. Reeta's biggest role model is her mother and she believes we can learn from our sisters to make the world better for our daughters.
