### **You're invited to Mt Atkinson Childrens and Community Centre**

Melton City Council is delighted to invite everyone in our community to explore the new Mt Atkinson Children's and Community Centre.

The new centre, which opened for operation in January this year, provides 3- and 4-year-old funded kindergarten and community space for local programs, services and groups.

The centre will help Council meet the demand for early years and community services in the fast-growing Mt Atkinson community.

We invite the community to come and celebrate and explore the new hub with free activities, entertainment and food at the community open day on Saturday 27 May, 10am to 1pm at 160 Clara Avenue, Truganina.

The development of the new centre was in part funded by the Victorian Government's Building Blocks Program and Growing Suburbs Fund.
