

MEDIA RELEASE

11 August 2025

Explore the flavours of the 2025 City of Melton Learning Festival

Embrace the joy of learning at the City of Melton Learning Festival.

Back for its seventh year, this year's Learning Festival explores all things food, from growing, to eating and enjoying!

We are excited to bring you dozens of programs over two weeks at our libraries and community centres across the City of Melton.

With author talks, workshops, DIY crafts and demonstrations, there's truly something for everyone.

Learn everything you've ever wanted to know about food, from growing your own vegetables, to preparing delicious meals, exploring native bush food, or reducing your food waste with sustainable DIY crafts and projects.

The Learning Festival kicks off on Saturday 30 August with a free event at Melton Library & Learning Hub. Come along to enjoy fun activities for the whole family, browse our information stalls, and book your place in one of the many activities on offer.

Explore the full program and book your place at melton.vic.gov.au/LearningFestival

Quotes attributable to City of Melton Mayor Cr Steve Abboushi:

"Food crosses cultures and languages to connect and nourish us, and this year's festival theme offers a range of wonderful activities for all ages and abilities to get involved in."

"The festival is the perfect opportunity to try something new and connect with other people in the community while having fun."

"I encourage everyone to get involved and celebrate the wonder, curiosity and joy of the City of Melton Learning Festival".
