9 October 2025

CARE Melton Expo set to empower, inspire and connect

The CARE Melton Expo is back for 2025 providing an opportunity for older people, carers and people with disability to discover valuable support services and connect with others.

The free event will be held on Thursday 16 October, 10am-2pm at Cobblebank Stadium and will feature over 35 local organisations and council services who deliver support in the City of Melton.

Visitors will have the opportunity to connect with service providers, hear from guest speakers, and participate in a range of interactive workshops.

There will be entertainment, giveaways and refreshments, and a sensory and chill out zone will also be available all day.

For information, visit melton.vic.gov.au/care

Quotes attributable to City of Melton Mayor Cr Steve Abboushi:

"The CARE Melton Expo is about celebrating older people, carers and people with disability in our community and is a day designed to inspire, inform and connect."

"It's a fantastic opportunity for those in our community needing support to find out what is available to them and connect with others."

"The City of Melton has some amazing support services to help everyone in our community feel empowered, so I encourage residents to come along and explore what's available."
