Use and development

The land

The use and development provisions specified in this schedule apply to the land as shown within the 'precinct boundary' on Plan 2 of this schedule and shown as UGZ3 on the planning scheme maps. This schedule must be read in conjunction with the incorporated *Toolern Precinct Structure Plan*.

Plan 2 to Schedule 3 to Clause 37.07

2.2

Proposed C232melt

Applied zone provisions

Table 1 allocates the land / use development shown on Plan 2 of this schedule with a corresponding zone from this scheme.

When the use / development in the left column is carried out or proposed generally in accordance with the incorporated *Toolern Precinct Structure Plan*, the use, subdivision, construction of a building and construction and carrying out works provisions of the corresponding zone in the right column apply.

A reference to a planning scheme zone in an applied zone must be read as it were a reference to an applied zone under this schedule.

Note:

For example: The Commercial 2 Zone specifies 'Shop' as a Section 1 Use with the condition 'The site must adjoin, or have access to, a road in a Transport 2 Zone or a Transport 3 Zone'. In this instance the condition should be read as 'The site must adjoin, or have access to, a road in a Transport 2 Zone or a Transport 3 Zone or an applied Transport 2 Zone or Transport 3 Zone in the Urban Growth Zone schedule applying to the land'.

Application requirements

The following application requirements apply to an application for a permit under Clause 37.07, in addition to those specified in Clause 37.07 and elsewhere in the scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority. If in the opinion of the responsible authority an application requirement listed below is not relevant to the assessment of the application, the responsible authority may waive or reduce the requirement.

Subdivision - Residential development

In addition to the requirements of Clause 56.01, the site analysis and design response must show or address the following to the satisfaction of the responsible authority:

- A hydrogeological assessment of the groundwater conditions on the site and the potential impacts on the proposed development including any measures required to mitigate the impacts of groundwater conditions on the development and the impact on groundwater.
- A preliminary site assessment of the potential for contaminated land as a result of previous land uses, carried out by a suitably qualified person.
- An application for residential subdivision of 10 lots or more must be accompanied by Subdivision and Housing Design Guidelines, prepared to the satisfaction of the responsible authority.

Subdivision - General

An application that proposes to create or change access to a primary or secondary arterial road must be accompanied by a Traffic Impact Assessment Report (TIAR). The TIAR, including functional layout plans and a feasibility / concept road safety audit, must be to the satisfaction of the relevant Roads Authority.

Public Infrastructure Plan

An application for subdivision and / or use and development of land must be accompanied by a Public Infrastructure Plan, which addresses the following:

- What land may be affected or required for the provision of infrastructure works;
- The provision, staging and timing of any storm water drainage works;

- The provision, staging and timing of roadworks internal and external to the land consistent with any relevant traffic report or assessment;
- The landscaping of any land;
- What, if any, infrastructure set out in the Development Contributions Plan applying to the land is sought to be provided as 'works in lieu' subject to the consent of Melton City Council;
- The provision of public open space and land for any community facilities; and
- Any other matter relevant to the provisions of public infrastructure required by the responsible authority.

Kangaroo Management Plan Subdivision - land that does not abut a linear corridor or intended in public ownership

An application for the subdivision of land that does not abut a linear corridor in or intended to be in public ownership must be accompanied by an Eastern Grey Kangaroo Management Plan that includes:

- Strategies (i.e. staging) to avoid land locking Eastern Grey Kangaroos;

and where this is not practicable

- Management solutions and actions to respond to their containment in an area with no reasonable likelihood of their continued safe existence.

The plan must be to the satisfaction of the Department of Energy, Environment and Climate Change (DEECA).

5.0 Exemption from notice and review

--/--/---
Proposed C232melt

An application to use land for a convenience shop or office in the General Residential Zone is not exempt from the notice requirements of section 52(1)(a), (b) and (d), the decision requirements of section 64(1), (2) and (3) and the review rights of section 82(1) of the Act.

6.0 Decision guidelines

--/--/---
Proposed C232melt

The following application requirements apply to an application for a permit under Clause 37.07, in addition to those in Clause 37.07 and elsewhere in the scheme and must accompany an application, as appropriate, to the satisfaction of the responsible authority:

- Use of land for a sensitive use on land shown as Mixed Use, Business 2, Business 3 or Business 4 on Plan 2:
 - Planning Practice Note 30: Potentially Contaminated Land, July 2021.*
 - The status of any remediation being carried out at the former Melton landfill site on Ferris Road.
 - The views of the EPA and WorkSafe Victoria if the land is north of the railway line and within 440 metres of 41-53 Abey Road, Melton (measured from the boundary of 41-53 Abey Road Melton).

7.0 Signs

--/--/---
Proposed C232melt

Sign requirements are at Clause 52.05. All land located within the *Toolern Precinct Structure Plan, June 2022* area is in the category specified in its applied zone at Clause 2.2 of this schedule. If there is no applied zone the land is in Category 2.

Land and home sales signs

Despite the provisions of Clause 52.05, signs promoting the sale of land or homes on the land (or on adjoining land in the same ownership) may be displayed without a permit provided:

- The advertisement area for each sign does not exceed 10 square metres.
- Only one sign is displayed per road frontage. Where the property has a road frontage of more than 150 metres multiple signs may be erected provided there is a minimum of 150 metres distance between each sign, with a total of not more than four signs per frontage.
- The sign is not animated, scrolling, electronic or internally illuminated sign.
- The sign is setback a minimum of 750 mm from the property boundary.

A permit may be granted to display a sign promoting the sale of land or homes on the land (or on adjoining land in the same ownership) with an area greater than 10 square metres.

If the sign does not meet all the provisions listed above, it must comply with the provisions of Clause 52.05.

Education / community promotion signs

Despite the provisions of Clause 52.05, a permit may be granted, for a period of not more than five years to display an advertising sign that promotes a community facility or education centre on the land identified as community facilities, potential government school, potential non-government school and credited open spaces on Plan 1 to this schedule.
