Hi Matthew

**RE: Response to notice of Amendment C232melt**

Thank you for providing notice of Amendment C232.

In response to the information the following amendments are suggested to improve clarity with the PSP document:

- The non-government school has been removed from properties 33 and 34 and the amount of non-government school land has been added to increase the active open space amount.

	<b>Non-Govt School</b>	<b>Active Open Space</b>
Property 33	<del>0.08</del>	2.72 <u>2.80</u>
Property 34	<del>0.21</del>	5.18 <u>5.39</u>

- The exhibited PSP Plan 6 Land Use Budget Plan still visually identifies the land uses going over properties 33 and 34.
- Plan 6 should be amended for consistency with Table 2 Property Specific Land Use Budget.

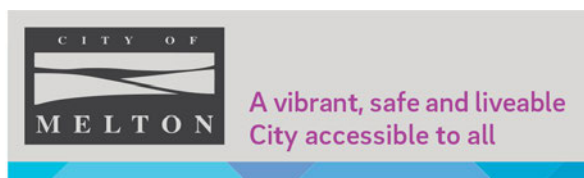

Please contact me if you seek further clarification or would like to discuss further,

Kind regards
