Melton City Council is committed to allocating places based on the following:

- meeting the needs of the local community
- equal access for all children based on the priorities set out in the *Kindergarten Central Registration Policy*
- compliance with the Local Government Act 2020, *Education and Care Services National Regulations 2011* and the *Education and Care Services National Law Act 2010*
- compliance with DET funding requirements relating to the registration of children in State Government funded kindergarten services

To enable streamlined processing of Kindergarten Registrations, families are encouraged to complete online forms available via the City of Melton website at:

melton.vic.gov.au/Kindergartens

- Families wishing to register their child into a kindergarten program, are required to complete one registration form, per child.
- Each registration form must be completed and accompanied by a Registration Fee (non-refundable) with required supporting documentation as outlined in the Kindergarten Information Booklet.

The following documents must be provided to support the child's registration:

- Evidence of living in the municipality or of being a ratepayer of Melton City Council.
- Evidence of the child's date of birth.
- Selected priority one evidence (where applicable)
- Completed registration forms including all required supporting documents and Registration Fee can be submitted :

Although families are encouraged to utilise the online process, families unable to complete an online registration, can access paper forms from any of the following Council venues: Melton Civic Centre, Melton Library and Learning Hub and Caroline Springs Civic Centre/Library.

- Registration Forms submitted without the required supporting documentation will be considered incomplete.

- In the event the Registration Fee is not received with the registration form, the registration form will be considered incomplete and will not be processed until payment is received.
- Incomplete registration forms will be returned to the family via post and will only be processed once the central registration team has received the complete document. This process may delay the registration process and the child's commencement into a kindergarten program.
- When a complete first round Registration Form is received and processed, the Central Registration Team will send families a confirmation of receipt within a four week period.
- Registration Forms from families who reside outside the municipality, are required to be assessed by the Director City Life prior to any approval.
- To facilitate the inclusion of all children into the program, registrations should clearly identify any additional or specific needs of the child (*refer to Inclusion and Equity Policy*).
- Registration Forms are confidential and are kept in a secure place on the premises.

6. Fee Waiver

- Families in financial hardship may apply for a waiver to the registration fee by providing a letter explaining their circumstances. This letter will be assessed by the Families and Children Manager and an outcome advised.
- A fee waiver will automatically apply to families eligible for Early Start Kindergarten and those that meet the fee waiver criteria listed in the Kindergarten Information Booklet

All preference changes prior to accepting an offer can be completed as follows:

- Writing a letter to Council addressed to the Central Registration Team,

- Accessing the parent portal and making these changes

- Families are advised to include all kindergarten preferences that they will accept, as not everyone will receive their first preference.
- Any changes to a registration (other than updating contact details) will be treated as a new Registration Form and will be processed in line with the date the change was received by the Central Registration Team and not the original date that the registration was submitted.

9. Preference List

- The CRES allocates families through a computer generated system in accordance to the Priority of Access Criteria.
- Families cannot accept a place at a kindergarten and also be on a preference list for another kindergarten.
- Families can choose to not accept the place offered and to remain on the preference list at their preferred kindergarten.
- If families are still on the preference list in January in the year the child is to attend kindergarten, the Central Registration Team will contact the family to offer a place to the child at a kindergarten with vacancies.

10. Deferring Registration

- In accordance with the DET Kindergarten Funding Guide and its successor agreements, a registration may be deferred within Term One, provided the registration has not been recorded by the kindergarten teacher on the DET Kindergarten Information Management System.
- Families wishing to defer their registration should speak with their kindergarten provider as soon as possible to discuss their child's readiness for kindergarten. This process is only available to families when their child has commenced kindergarten in Term One.
- Families, in consultation with their kindergarten provider are required to complete a EYM Deferral form whereby their registration will be re-offered the following year. The EYM Deferral form must be completed by the Kindergarten teacher and signed by both the Kindergarten teacher and parent/guardian.

Note: Children in Out of Home Care may be an exception to the above and will be considered on a case by case basis according to the best interest of the child in consideration of the Early Years Compact Agreement

13 Second Year of 4 year old Funded Kindergarten

- DET provides funding to support children to access a kindergarten program in the year before they start school.
- Where a child is observed to display delays in key outcome areas of learning and development, the possibility of a second year of funded 4 year old kindergarten maybe considered. However, a second year of 4 year old kindergarten should only be considered if kindergarten will be the most appropriate environment to address the child's delays in development.
- From the time of registration, regular communication between the parent/guardian and the early childhood teacher in relation to a child's learning and development is important. If a parent/guardian and/or early childhood teacher observes that a child's learning and development is not progressing at a rate similar to their peers, strategies can be planned and implemented to support the child's learning and development in those specific areas.
- When considering whether a second year of funded 4 year old kindergarten will benefit a child, the early childhood teacher and parent/guardian must ensure that the child meets the eligibility criteria for a second year.

13.1 Determining Eligibility for a Second Year of Funded 4 Year Old Kindergarten

- An assessment of the child is undertaken and a Declaration of Eligibility for a second year of funded 4 year old kindergarten is completed and sent to the appropriate Department regional office. DET is responsible for approving second year requests

- It is important that teachers ensure the plans and forms are completed accurately as they will be subject to annual audit processes undertaken by the Department.

13.2 Eligibility Criteria

- The early childhood educator can deem a child is eligible to receive a second year of funded 4 year old kindergarten if:
 - The child is observed as having delays in at least two outcome areas of learning and development detailed in the Victorian Early Years and Development Framework and
 - There is evidence to suggest that the child will achieve better outcomes if they attend a second year of funded 4 year old kindergarten to strengthen the learning and development of skills in these areas and better facilitate transition to school the following year.
- Children who have been granted early entry to kindergarten (i.e. children who are less than 4 years of age by 30 April in the year they attend a funded kindergarten program) are not eligible to apply for a second year of funded 4 year old kindergarten.

14. Early Start Kindergarten

- Early Start Kindergarten (ESK) was introduced in response to research showing that two years of quality education and care prepares children for success at school and leads to positive impacts later in life. Early Start Kindergarten will continue to provide 15 hours a week of subsidised 4 year old kindergarten until such time as three year old children across the state will have access to 15 hours of subsidised kindergarten.
- ESK provides kk kindergarten for:
 - All three year old Aboriginal and Torres Strait Islander children.
 - Three year old children known to Child Protection.
 - All three year old refugee and asylum seeker children
- Children must be aged at least three years by 30 April in the year they enrol to be eligible for a place. Children can only begin ESK after they have turned three years of age or a parent/guardian must attend the sessions with them until they do. Families should check with the kindergarten about working with children check requirements.

15. Reserving Places

- Two places per kindergarten will be reserved by the Central Registration Team, for high priority children, as per the Priority of Access Guidelines from DET.

DET defines High Priority children to be:

- Children at risk of abuse or neglect, including children in Out-of-Home Care, Aboriginal and/or Torres Strait Islander children, or Asylum seeker and refugee children.
- Children eligible for the fee waiver
- Children with additional needs, defined as children who:

- require additional assistance in order to fully participate in the kindergarten program
 - require a combination of services which are individually planned
 - have an identified specific disability or developmental delay
- These places will be reserved until 30 October. Any remaining reserved places not filled by 30 October will be made available to preference list families and subsequent allocation rounds.

16. Managing Preference Lists

- Families who are unsuccessful in gaining a place are added to a preference list and advised if a vacancy arises.
- Preference lists are maintained in accordance with the Priority of Access Guidelines from DET.

17. Kindergarten Placement Offers

- A letter of offer for a kindergarten place will be e-mailed to families or sent via mail in the event Council do not have an e-mail address for the family, within two weeks after the close of first round allocations.
- If an applicant's first preference for a kindergarten is not available, they will be offered their nominated second or third preference kindergarten.
- If vacancies are not available at a preferred kindergarten, applicants will be placed on a preference list in accordance with Allocation Priorities.
- Second round offers will be made approximately four weeks after the first round of offers.
- Offers after this time are made on a weekly basis. Where offers can be made for first preferences, these will be processed automatically.

18. Acceptance of Place

- An offer of a kindergarten place will be made via a letter or email sent from the Central Registration Team to the family. The letter/email will need to be completed, stating whether the offer is accepted or declined and returned to the Central Registration team by the nominated date on the letter, in order for it to be valid.
- Families who do not return the acceptance letter by the date listed will forfeit their place.
- Once a family has confirmed the acceptance of a place, they are unable to remain on a preference list for another kindergarten.
- Parents/guardians who do not wish to accept the offer of a place, or withdraw their registration are requested to notify the Central Registration Team in writing.
- Parents/guardians who do not receive an offer to a kindergarten of their choice will be notified in writing that they are on a preference list.

- Parents/guardians who choose to wait for the kindergarten of preference and not take up a second or third preference offer will be placed on a preference list.
- Families will be contacted by the allocated Early Years Manager to organise a time to attend orientation at the kindergarten.

19. Online Parent Portal

- Families will have access to the online parent portal once the letter of receipt is received within 4 weeks of submitting their registration form. This letter will provide an individual ID number that will be required to access the Parent portal.

The portal will enable families to:

- make changes to kindergarten preferences (prior to first round offers)
- have access to current preferences
- accept or decline an offer (after offer letters have been sent out)
- request to cancel a placement

20. Kindergartens located on School Sites

- Families are advised that enrolling children into a Melton City Council kindergarten on a school site does not guarantee entry into the school in the following year.
- Families are advised that kindergartens do not have the same boundary requirements as schools and should discuss this directly with the school.

21. Privacy

- Access to completed Registration forms are restricted to the Central Registration Team, and other relevant Council Officers, in accordance with Council's *Information Privacy Policy*. Information may be shared with family consent or if required by law.

22. Collection and Disposal of Information

- Council will dispose of personal information when it is no longer required to fulfil the purpose for which it was collected or required by law.
- For further information about the collection and disposal of personal information families can be directed to visit the Melton City Council website: www.melton.vic.gov.au

23. Engagement with Families

The CRES is an accessible, inclusive and equitable service. The Central Registration Team must consider factors that may pose a barrier to engagement and/or communication around kindergarten registration and make attempts to reduce any barriers to accessing kindergarten.

Free interpreters are provided by the service where required and assistance can also be sought from other Families and Children services programs when active engagement is required to support kindergarten registrations. This will be carried out in partnership with

Councils Kindergarten Engagement Officer and may include collaboration with the families Maternal Child Health Nurse, Supported Playgroup Facilitator, Preschool Field Officer or Family Services Case Manager where applicable. The Out of Home Care Local Government contact at Council may also be able to support the kindergarten registrations of children in Out of Home Care.
