# Kindergarten Readiness Month

March is Kindergarten Readiness Month! Council's Early Childhood Team is hosting information sessions to help families register their children for three- and four-year-old kindergarten.

Learn about the benefits of kindergarten, how many hours of free kindergarten you may be eligible to access, how to register and registration timelines, as well as support available during the enrolment process.

Not to be missed are the kindergarten open days. An amazing opportunity to visit different kindergartens in the City of Melton, meet teachers and explore what's on offer! Dates and locations listed overleaf.
