NoM	Council Meeting Date	Councillor	Moved	Seconded	Notice of Motion (Final)	Status	Comments	Month Completed
981	28-Jul-25	Cr Dr Zada	Cr Dr Zada	Cr Morris	That Council: 1. Write to the Victorian Minister for Consumer Affairs, the Hon. Nick Staikos MP, to: a. Strengthen regulatory oversight and enforcement mechanisms to deter misleading or deceptive marketing by property developers and real estate agents. b. Consider legislative reforms or guidelines that require greater transparency and accountability regarding the provision of essential infrastructure and services promoted during property sales. c. Suggest collaboration with local governments and consumer advocacy bodies to develop potential solutions that better protect prospective homebuyers from being misled during the property purchasing process. 2. Approves the following motion to be submitted for the next Municipal Association of Victoria (MAV) State Council meeting: That the MAV call on the State Government through formal representations and ongoing engagement, for strengthened consumer protections to address misleading or deceptive marketing practices by property developers and real estate agents in the sale of land and homes. These protections should ensure that homebuyers are not misled about the timing, commitments (funding or otherwise), delivery, or likelihood of essential infrastructure and services (such as schools, transport, parks, and shops) that are promoted during the sales process and that buyers have meaningful avenues for recourse if misleading conduct occurs. 3. Authorises Melton City Council MAV delegate, Cr Kathy Majdlik, to make amendments as required following the submission of the motion, provided they remain consistent with the motion's intent.	Completed	Letters sent.	Oct-25
982	23-Jun-25	Cr Turner	Cr Turner	Cr Dr Zada	That Council: 1. Note the ongoing and increasing community concerns and amenity impact of illegally dumped rubbish on roadsides of Victorian Government managed roads in the City of Melton and in particular the significant delays in dumped rubbish being removed from roadsides by the Victorian Government's Department of Transport and Planning. 2. Write to the Minister for Roads and Road Safety, the Hon. Melissa Horne MP to: a. Highlight the significant community concern and amenity impact of illegally dumped rubbish on roadsides on Victorian Government managed roads in the City of Melton. b. 1002	22-Jun-26	Cr Dr Zada	Cr Dr Zada	Cr Shannon	That Council notes that an Artificial Intelligence Policy is currently in development and looks forward to a briefing of Councillors on the draft policy, including the privacy, data security, ethical use, resident protection, human oversight and implementation considerations being considered as part of that work.	In Progress	Council currently has governance controls that apply to the use of AI within existing broader IT and privacy policies. Development of a standalone Artificial Intelligence (AI) Policy is progressing. The policy will be supported by an AI and Emerging Technologies Strategy and Roadmap. A Councillor briefing on the draft AI Policy, including the key considerations has been scheduled..
